Sponsorship of new members

Traditionally the Management Board of the Society requests sponsorship of applications for membership, however, we accept that applicants may not know an existing Member of the Society and we would not wish this to stand in the way of anyone becoming a Member. If you do not have a sponsor please submit some information about yourself and your interests in the history and/or archaeology of the county along with your membership application.

The Society's constitution requires that all applications go before the Management Board for formal ratification. All new applications will be acknowledged and applicants notified as soon as possible after the meeting of the Management Board.

Subscriptions are payable annually on 1st January each year. Membership cards are sent out annually at Easter.

In order to comply with HMCR rules on Gift Aid borrowing rights are no longer included in membership subscriptions.
